

STARTUP EXPO

WHERE STARTUPS TAKE FLIGHT

ABOUT E-CELL VNIT

E-cell VNIT is the entrepreneurship cell of VNIT. As the name suggests, the very purpose of E-cell is to foster a community of contemporary as well as seasoned entrepreneurs, besides mentoring of new and budding start-ups across the country.

Established since 2003, E-cell has been the driving force for channelizing and guiding more than **5000 startups**, impacting over **2,00,000 students**, and would-be-entrepreneurs.

At the same time, it has been invoking a sense of responsibility towards the nation in students by empowering social startups as well.

Throughout the year, E-Cell organizes **expert talks, webinars, workshops, light skill development events as well as highly rewarding competitions, pitching scenarios** and much more.

ABOUT STARTUP EXPO

StartupExpo is an exhibition event for startups that draws participants, speakers, investors, and organisations from all around India. Startups will have a fantastic platform to share their cutting-edge innovations with the rest of the world at the event, which will also introduce them to a **fantastic community that will support their progress.**

WHY STARTUP EXPO?

Entrepreneurial Exhibit Spaces:

Specially designated stalls, complete with essential amenities and the option for additional provisions, will be assigned to startups for showcasing their cutting-edge technologies. Positioned strategically in prominent locations, these stalls guarantee maximum visibility to an audience exceeding **15,000**, creating an ideal platform for startups to showcase their innovations.

Product Launch/stage showcase:

An opportunity will be presented to companies to launch their products before a varied audience at the E-Summit. This audience will comprise of leading investors, venture capitalists, corporate executives, and esteemed faculty members.

Pitching Opportunities:

Diverging from Startup Expo sessions, explore exclusive buzz events designed for startups. These curated opportunities enable innovative ventures to articulate their concepts directly to venture capitalists and distinguished figures. Successful pitches unlock doors to invaluable connections, presenting potential pathways to funding and mentorship avenues.
